Scott and Cindy,

It is a pleasure to write this referral letter:

We have had a very positive relationship with Custom Dock & Davit for several years. They first replaced our whole dock system for 50 docks including walkways and pilings with Evergrain synthetic decking. Last year they also replaced wood decking around the clubhouse with Evergrain. The workers show up on time, work long hours and do an amazing job. All the workers are perfectionists! Custom always goes above and beyond what is expected. I would highly recommend them to anyone needing the services of a dock and davit company.
