**To Whom It May Concern:**

**We have been consistent customers of Custom Dock and Davit, Inc. for approximately 30 years. Our original dock and lift for a 40' boat was built by them in the early 80's and an additional section was added several years later in order to accommodate a 50' boat. In addition, a second lift was added to provide for a 23' jetboat.**

**Over the years, we have received perfect service from a staff of very highly trained individuals who have always been competent as well as professional. Any small issue we might have had was always handled promptly and efficiently.**

**In a society where there is so much incompetence, it has always been a pleasure to do business with Scott Koenreich and his staff.**

**Sincerely,**

**The Ricciardelli's**
